

Middle Level (L2) and Senior Level (L3) Basis Consultants

BUSINESS SERVICES AND TECHNOLOGIES OOD (BST) is an IT services and solutions provider, primary engaged with Implementation and Maintenance of SAP and other business information systems, IT Infrastructure services, Information Security solutions, Business development and Project Management. We are working on projects around the world: almost all countries in Europa, Middle East, USA and Africa. We are strategic partner of the biggest SAP Services providers where we are delivering Implementation and Support services.

We value our customers and we are focused entirely on satisfying their needs, solving complex business problems, improving their performance and assisting them in meeting the everyday and global challenges. Further, we value our employees and their satisfaction is one of the company's primary objectives and a guiding principle.

We are looking for **Middle Level (L2) and Senior Level (L3) Basis Consultants** who will work within the AMS support for one of the biggest global SAP companies

JOB RESPONSIBILITIES

- Ensuring ongoing systems monitoring and configuring as per the established standards
- Performing tasks for SAP installs and upgrade, system copies and SAP printing
- Conducting system performance monitoring and tuning
- Providing day-to-day security administration support, maintaining user access, ensuring system integrity and confidentiality of information
- Maintaining backup of the system files and related documentation

DESIRED SKILLS AND EXPERIENCE

- Bachelor's / Master's degree in Computer science, Mathematics or equivalent work experience
- 3-5 years relevant experience for L3 Level and at least 6 years relevant experience for L4 Level
- Ability to work in a dynamic environment and to multitask
- Strong analytical problem solving skills
- Team player with very good communication skills
- Fluency in English.

WE OFFER YOU:

- Permanent contract with very competitive remuneration package and social benefit program
- To join one of the fastest growing and successful companies in the field of information technology.
- To work in a friendly, motivated and achievement-oriented team of professionals.
- Challenging assignments and career development opportunities.
- To work with one of the biggest global SAP companies
- Relocation support for Bulgaria, Sofia or Varna
